About VIP Protection Services

VIP Protection Services provides discreet close protection, manned guarding and corporate security for private clients, executives and organisations across London and the UK. Every assignment is planned individually and delivered by SIA-licensed officers.

Our services

Close Protection — SIA-licensed close protection for private clients, families, executives and visiting VIPs, planned around a written risk note for every booking.
Manned Guarding — SIA-licensed security officers for corporate, residential, retail and commercial premises, on short-term or ongoing assignments.
Corporate Security — Protection for executives, board meetings, corporate events and business travel, coordinated with your internal teams.
Security Staffing & Support — Additional licensed personnel to support existing security arrangements, subject to confirmed availability.
