VIP PROTECTION SERVICES

The Executive Security Checklist

A 25-point confidential audit used by Royal households, family offices and C-suite executives across the UK to assess personal, residential and travel security risk.

1. Personal Threat Profile (5 points)

- ■ Documented threat assessment updated within the last 12 months
- ■ Public exposure audit (press, social media, court records) completed
- ■ Family members and household staff threat-mapped individually
- ■ Confidential incident log maintained (verbal threats, suspicious contact)
- ■ Cyber and OSINT footprint reviewed by a specialist

2. Residential Security (6 points)

- ■ Perimeter assessment: fencing, gates, blind spots, lighting
- ■ CCTV coverage with 24/7 monitored ARC response
- ■ Intruder alarm grade 3 minimum, dual-path signalling
- ■ Access control: keys, fobs, codes — rotated every 90 days
- ■ Safe room with independent power, comms and provisions
- ■ Vetted residential security team (BS 7858 screened)

3. Travel & Transport (5 points)

- ■ Security-trained chauffeur — advanced driving certified
- ■ Vehicle anti-tamper checks before every journey
- ■ Pre-travel route reconnaissance for high-risk movements
- ■ Two-vehicle protocol for principal + family travel
- ■ International travel: in-country liaison and medical cover

4. Close Protection Cover (5 points)

- ■ SIA-licensed Close Protection Officer (CPO) assigned
- ■ Female CPO available for family / spouse engagements
- ■ Surveillance detection on regular routes
- ■ Event-specific advance security plans
- ■ Hostile environment protocol and emergency RV points

5. Digital, Counter-Surveillance & Continuity (4 points)

- TSCM (technical surveillance counter-measures) sweep quarterly
- Encrypted comms for principal and inner office
- Counter-surveillance team on critical movements
- Crisis management & kidnap response plan rehearsed annually
